

# Safe Jobs **Save Lives**

**Larry Rebman**

Director of the Mo Department of Labor

**Daniel Stark**

Program Manager of On-Site Safety and Health

# Safe Jobs Save Lives

Annual Workers' Memorial Day theme

- Families and friends come together to pay tribute to Mo's fallen workers.

Each year ~100 workers die on the job  
~100,000 injuries

## 2011

- Saw 20 percent increase in workplace fatalities
- More than 10 percent were caused by natural disasters

Some deaths cannot be prevented—but a lot of lives can be saved *if* safety and health plays a priority in the workplace.

# Safety is Catching On

Mo offers free workplace safety consultations to high-hazard industries to identify concerns on the job and develop inexpensive solutions.

Administration Accomplishments:

- Program Participation increased by 76 percent
- Nearly doubled number of employers in elite safety program, SHARP
- What's New.....

**Interactive Exhibit-** exposes real hazards found on real worksites

- Soon to develop online Hazard Lab so all members of the public can access tool
